Re: Time CD dated August 24, 1983

Dear Mr. Braxton:

I write this letter pursuant to a telephone conversation of August 22, 1989, between yourself and L. Robert Anderson, my attorney in Monticello, Utah. Please be advised that it is my intention to see that the necessary reclamation work on the Red Rock property is completed this Fall. I have an appointment with Holland Shepard to meet on the ground at 9:30 A.M. on August 30, 1989.

You have indicated that with this assurance, you will see that the proceedings which are the subject of the letter over the signature of Gregory P. Williams, dated August 9, 1989, a copy of which I am enclosing, will be discontinued, that no hearing will be held on September 28, 1989, and that no response need be made to that letter. Please confirm by letter to me, with a copy to L. Robert Anderson at P. O. Box 275, Monticello, Utah 84535, that the proceedings have been discontinued and that no response or request for hearing on my part is required.

If necessary, please call me in Moab at 259-2915.

Very truly yours,

*Clayton Stocks*

Dear Sirs:

This is to notify you that under the jurisdiction and authority of Utah Code Ann. § 40-8-5 and 40-8-14, and pursuant to the Utah Administrative Procedures Act, the Utah Board of Oil, Gas and Mining intends to declare forfeited the following surety: The Time Certificate of Deposit for \$15,000, deposited by S & S Mining Company, a copartnership, and State of Utah Board of Oil, Gas and Mining, in First Security Bank of Utah, Moab Office, dated August 24, 1983, together with any successor instrument or successor deposit to that certificate. A copy of the said certificate of deposit is attached. The Board intends to take this action on the grounds that S & S Mining Company, a copartnership, has failed and refused to carry out the necessary land reclamation as outlined in its notice of intention for mining operations.
